Rooming Alone
How to implement a policy by engaging your staff

Kari L Carlson, MD
Physician Champion, Family Violence Prevention Team
Kaiser Permanente, Redwood City, California
Learning Objectives

To promote a rooming alone policy

To describe the role of the MA in rooming alone

To describe how to implement a policy and DV screening tools by engaging the MA
Background

- Quarterly presentation to providers and staff in the Ob/Gyn department on DV
  - Prevalence
  - Health outcomes
  - How to screen
- Accessible LCSW
Background

- Inconsistent screening by all staff and providers
- Discomfort with how to screen, how to respond to positive screen
- Very low identification rates
Steps Towards Rooming Alone

- Implementation of EMR
  - MA rooming tool format formalized to include DV screening question
- Individual experience with DV victims
- MA involvement in local committee
Bringing it Together

- MA proposal
  - Every patient, every visit
  - Set screening questions
- Staff meeting discussion, agreement
Standard Screening Questions

“Are you in a relationship? Is it safe?”

“Do you have any other confidential concerns for the provider today?”
Next Steps

- Posters at Registration, in each waiting area
- Built back into EMR rooming tool
- Supportive department leadership
- Checking back in at 3,6 months
Your privacy **matters.**
Su **privacidad es importante.**

The confidentiality of the patient-doctor relationship is **important** to us.
That's why we ask family members and friends to remain in the waiting area during patient examinations.
Afterward, at the patient’s request, family or friends may be invited into the exam room.
Thank you for your understanding and support.

Kaiser Permanente protects the privacy and security of your personal information in accordance with state and federal laws.

---

La confidencialidad de la relación entre el paciente y el médico **es importante** para nosotros.
Por eso pedimos que los familiares y amigos permanezcan en la sala de espera durante el examen del paciente.
Después, si el paciente lo solicita, podría invitarse a los familiares o amigos a la sala de examen.
La agradeceremos su comprensión y asistencia.

Kaiser Permanente protege la privacidad y seguridad de su información médica personal de conformidad con las leyes estatales y federales.
